Vol. 9—No. 2. APRIL 7, 1956.

PRESIDENT 1956

MR. H. J. DOCKERTY.

It is the privilege of very few men in the sporting world to hold both the respect and the affection of everybody connected with their sport. Harry J. Dockerty, "father" of soccer in Victoria, and donor of the Dockerty Cup, is one of those rarities — and a "natural" for President of the V.A.S.F.A.

POLONIA FIGHTS FOR GROUND

"RULES" JUNIOR LEAGUERS APPLY PRESSURE

At a meeting of the Maribyrnong Reserve Committee, convened to hear applications for the use of the Speedway ground for the winter season, Mr. L. C. Jackson, an official of the Victorian Junior Football League, made a determined bid to oust Polonia from the ground in favour of "rules" juniors.

With patient tolerance and the skilful use of diplomacy, Dr. Charles Walker (President of Polonia Soccer Club) secured a sympathetic hearing from the Committee, and eventually its support.

DISCUSSION REFUSED.

For some time, Mr. Jackson refused to discuss any suggestion which included use of the ground by the Soccer Club.

Refusing to be affected by this display of sheer obstinacy, Dr. Walker persisted in his suggestion that all three applicants for the ground — Polonia Soccer Club, Maribyrnong Youth Club, and Moonee Imperial Football Club — could easily and amicably share the ground.

As a practical demonstration of his goodwill and his desire to co-operate, Dr. Walker offered to sacrifice several dates as compared with last year's allocation.

POLONIA COMMENDED.

The Reserve Committee expressed satisfaction with the manner in which Polonia carried out its obligations and responsibilities in 1955 in its use of the Speedway ground, and commended Dr. Walker for his unselfish spirit of co-operation.

The Committee then accepted Dr. Walker's suggestion and allotted each applicant sufficient dates to accommodate most of their home game commitments.

YEAR BOOK.

The following alterations should be noted:—Page 14: George Cross, delete Tel. No. XM 5078, and substitute Tel. No. XM 8645.

Williamstown.—Page 16: Delete Secretary T. Higgins; substitute A. Branagh, 38 William St., Newport, W.15. Also amend on Page 5.

RESULTS.

As previously notified all results have to be 'phoned in to the Secretary immediately after the conclusion of games.

With two rounds over the Easter week-end and several new Secretaries in office, it is most pleasing to record that the response from the Clubs was excellent. All results were received, with the result that "Soccer News" has been able to keep the public fully informed.

Supporters should remember that results each Saturday are broadcast over Station 3XY at 6.30 p.m. Please do not 'phone the Secretary for results.

TEAM SHEETS.

Several Clubs did not use the official team sheets, and are reminded that only official forms are accepted. These may be obtained on application to the Assistant Secretary.

KICK OFFS.

The official kick off time is 2.45 p.m., and should be strictly adhered to. Clubs failing to observe this ruling may be penalised.

S. BEATON,
Secretary, V.A.S.F.A.

EDITORIAL.

MEMO ALL PLAYERS

At this stage of each year, every loyal club man, and every Association official, hopes for a successful and a trouble-free season.

Not every team can be successful, but with patience, tolerance, and a truly sporting outlook, they CAN be trouble-free.

Since most squabbles start on the field, this is written to all players as a reminder of all the lessons and platitudes they have learned since their schooldays, from parents, teachers, coaches, and well-wishers.

REMEMBER that, although soccer is a body-contact sport, it is still merely a SPORT.

REMEMBER that no lives, no ideologies, no governments — not even your bread and butter — depends on a win or a loss.

REMEMBER that there are two ways to make your play — fair and unfair — and that fair play always achieves better results in the long run.

REMEMBER not to provoke an opponent, and to refuse to be provoked. Failure to control your temper must result in unbalanced play, and that, in turn, will penalise your team-mates.

Play to this simple code, and, win or lose, a satisfying and successful season will be yours.

PANGRAZIO IS A MATCH WINNER

Juventus Inside Left is a Sparkling Sharpshooter

When Cristiano Pangrazio made his first appearance in club colours in Australia in the recent night soccer series, the knockers — always with us like death and taxes — were quick to write him off as a spent force.

What they didn't know, or take into consideration if they did know it, was the fact that, when Cris took the field that first night he had practically just stepped off the boat from Italy, had had very little training or ball practice, and had found playing under the lights disconcerting.

If the glib knockers had been at the Showgrounds last Saturday, and had seen Cris boot in two classical goals, from 35 and 25 yards respectively, in the manner of Dienst and Hanappi, they would be forced to admit that Juventus has acquired a match-winner.

During a stay in Hungary, Pangrazio played 1st Division football, and was a Reserve on Hungary's National team of World Champions. In Italy, Cris played with Pro Patria.

This forward line looks like being the League's toughest combination — Trentini, Mosca, Plateo, Pangrazio, Zivatier.

MILLIONTH MIGRANT WITH YALLOURN

DENNIS PORRITT AT CENTRE HALF.

When Dennis Porritt stepped down the gangplank at Fremantle last year, newly arrived from England, he and his bride, migrants 1,000,000 and 1,000,001, were swept across Australia in a continual round of receptions, official, semi-official and public, second only to the greeting bestowed upon Queen Elizabeth during her visit.

The Porritts are settling in happily at Newborough near Yallourn, and now that Dennis has joined Yallourn Soccer Club as a playing member, that minor but nagging bogey, home sickness, is bound to take a licking.

GOAL POSTS TORN DOWN

SOUTH YARRA NEW VICTIMS OF VANDALS.

Only a few days after they had been erected for the new season, South Yarra's goal posts and crossbars were found to have been torn down.

The posts and bars were not merely pushed over. They were uprooted, then systematically smashed and split. No clues were left as to the methods used in the work of destruction.

Vandalism is rapidly becoming a costly, and seemingly uncontrollable, nuisance.

TUSSLE AT SHOWGROUNDS

TRENTINI of Juventus dashes through in the vain hope that CZERKASKI of Polonia will fail to trap the pass. CAPOBUS (Polonia, right) moves off, satisfied that CZERKASKI has the situation in hand.

REFEREES GRANTED FEE RISE

First Increase in 3 Years

After 18 months of amicable negotiation between the Referees' Association and the League Management Committee, a new scale of fees incorporating increases ranging from 15 per cent. to 33 1-3rd per cent. has been arrived at.

Largest rise goes to referees officiating in the centre at 1st Division games. The new schedule is as follows:—

1st Division	40/-
2nd Division	35/-
3rd Division	30/-
1st and 2nd Division Reserves	30/-
3rd Division Reserves	25/-
Metropolitan Leagues	25/-
Linesman	25/-

In addition, referees assigned to outer fringe games, such as at Dandenong and Frankston, will be allowed travelling expenses of 5/-.

Reception of the fee rise announcement has been a mixed one, but the majority of clubs realise that the old scale of fees, which ranged from 30/- down to 20/-, was insufficient to attract potential referees, and was partly responsible for the deplorable shortage of officials.

"Twelve to 15 referees give the game away each year," Mr. Hadfield, President of the Referees' Association, said last Monday. "Far too many soccer supporters are not aware of what is expected of our referees, quite apart from the job they do at a game.

"A referee must study, sincerely and conscientiously, soccer law and its interpretations. He must attend the monthly laws meeting of the Association.

"He must purchase his own strip, made to specifications, and keep it laundered and presentable at all times. He is subject to inspection and fines in this connection.

"He pays weekly and annual dues to the Association compulsorily, and insurance premiums voluntarily.

"He must submit a report of each game to the V.A.S.F.A., and, in most cases where his report cites an infraction of the rules, he makes himself available as a witness at the subsequent hearing of the Disciplinary Committee.

"He is never popular, often the subject of abuse. and sometimes — happily, rarely — the victim of violence.

"One can hardly say, after impartial consideration, that referees are over-paid."

BOX HILL GETS GROUND

New Enclosure will be Ready for Play in 1957

The Council of the City of Box Hill has granted the Box Hill Soccer Club the use of an enclosed reserve on Canterbury Road.

This was the result of lengthy negotiations between the club and the Council, which from the beginning displayed active sympathy for the project. The stumbling block was the usual one — where could a suitable reserve be found which was not legally bound against enclosure.

The only reserve vested in the Council itself had a short street running through it to land owned by the Christian Brothers' College, and a house and a destructor on it.

Councillors K. G. McIntyre and L. R. McCredden "carried the ball" from this point on. The College raised no objection to closing the road. The house was removed. The destructor will be converted into dressing rooms. And thus an enclosed soccer ground was made possible.

The sloping land was in its virgin state, but levelling has already begun, and the club should be able to take possession for the 1957 season.

On February 25 last, Cr. Roy H. Sparks (Mayor of Box Hill) turned the first sod and kicked the first ball.

"This ground may become the Wembley of soccer in Victoria," the Mayor said, "and we hope it does."

The assembled crowd included many Box Hill City Councillors, Soccer Councillors Dockerty (President), Thomas (Chairman), Kerr, Lang, Paul, Rickerby, and Buckner, and numerous members of the Box Hill Soccer Club and their families.

SOCCER ON THE AIR

Every Friday night at 6.15 p.m. from Station 3KZ, radio listeners can hear the latest official information, news items, and a preview of Saturday's games. Tony Charlton compères the session, Stuart Beaton packs a lot of news into a few short minutes, and London Stores Ltd. sponsor the show.

For complete official scores and a review of the day's doings, listeners can tune in to the Commercial Motors session on 3XY at 6.30 p.m. on Saturday evenings. John Oliphant, Jack Olsen and Glen Millins co-operate in producing this review.

CELTICS IN CUP FINAL

Defeat Clyde in Semi

At the giant Hampden Park Stadium in Glasgow, a crowd of 65,000 saw CELTIC beat the Cup holders, CLYDE, 2-1, last week to reach the finals of the Scottish Cup competition. This is the fourth time since the war that CELTIC will contest the final.

CELTIC was defeated by CLYDE in the 1955 Cup Final after a re-play.

This year's final will be played on April 21. CELTIC'S opponent hinges on the result of the other semi-final between HEARTS and RAITH ROVERS, which will be the re-play of a goalless draw.

MAYOR KICKS OFF

Flanked by Box Hill players, supporters, fellow-Councillors and members of the Victorian Soccer Council, Cr. Roy H. Sparks (Mayor of Box Hill) kicks the first ball on the ground that will be called Wembley Park.

Richmond has a Reserve team which is not included in League competition. Any club desiring friendly games are invited to ring JB 3069, Wednesday nights, after 8 p.m.

Because of the short week, probable teams sent in by four clubs just missed inclusion in our first issue. They were F.N.D., Sandringham, Yallourn, and Williamstown. Sorry, fellers, they must be in by Tuesday.

Moreland and Brighton signed an alliance the other week, and

declared war on the Navy. Navy broke off the engagement at the last moment. After a hurried consultation at H.Q., the alliance decided not to shirk a war on two fronts, and turned their legions towards Puckapunyal to tackle the Army. It took only the Reserves to down the Army, 3-2, leaving the Seniors still full of fight. So they turned on each other, and fought a 0-0 draw. A good time was had by all in the Sergeants' Mess.

Footnote: Due to mixed signals, Arthur Macartney found himself at Flinders, wondering.

"Our Centre Half drinks too much. He was pinched last week, full to the ears, pushing a wheel-barrow down the centre of Collins Street, I know . . . I was in the wheel-barrow."

Mario Busidoni, last year's Argus Medallist and Captain of Juventus, will be coaching Juventus this year. His replacement as Captain not yet decided, but rumour says it will be Rino Carollo.

Kurt Defris is getting laughs with this one: The main dish at the Lord Mayor's dinner was baked ham.

Rabbi Jonas naturally declined.

Father Kelly kidded him: "When are you going to forget that silly rule of yours and eat ham like the rest of us?"

Rabbi Jonas kept a straight face and kidded right back: "At your wedding reception, Father."

Modern Definitions: A physiotherapist is a man who profits by YOUR experience.

✦ ✦

The Hakoah-J.U.S.T. game last Monday was a tragic comedy of errors from start to finish, and a game in which nearly every soccer law was broken. However, good can come of it. J.U.S.T. learned that they cannot take Referee Forkes lightly, and Hakoah learned that they cannot take J.U.S.T. lightly — even when the latter have only nine men on the ground. Hakoah led 4-0 at half-time, and had the same lead with 20 minutes to go, but the score at the final whistle was 4-3. With five minutes to go, Jack Skolnik was checking up on his insurance to see if he could afford a minor heart failure.

✦ ✦

R. M. Leimbach, of Prahran, offers some interesting statistics regarding the Prahran-Box Hill 2-2 draw on Easter Monday. Attacks must have come fast and furiously, and in view of the final score both goalies must take a bow. Scharf saved 33 times for Box Hill, and Dan Dobrilovic saved 32 times for Prahran!

BRILLIANT SAVE BY LOPO

Early in the Juventus-Polonia match at the Showgrounds last Saturday, Polonia was given a penalty kick. BOB STRAHAN took the kick, and duly placed it nicely wide of the waiting goalie. But LOPO's agile dive enabled him to get his hands to the ball — and save!

A recent arrival from Italy is **Cristiano Pangrazio**, a crack Inside Right, who is now with Juventus. Cristiano spent some time in Hungary, where he played 1st Division soccer, and earned a blazer as a reserve for the Hungarian National team. In Italy he played with Pro Patria. It may take him a little while to settle down to local conditions, but when he does he and **Plateo** should combine well as a forward-line spearhead.

NEW FACES on the Victorian Soccer Council are always welcome, particularly when they come in as Club Delegates and bring the Club viewpoint with them. This year's new-comers are Mr. Z. Mr. Lukinovic is an architect, and Mr. Kiburg is a public accountant.

Richmond has secured a formidable new Centre Half in Kurt Wenzlaff, a six-footer from Sydney. Kurt is every inch a footballer, and an expert aerialist.

The Victorian Colts naturally include a host of new young 'uns. Ian Petherick, of Sunshine United, will no doubt remain at Centre Half, the position which he led the Victorian State Under 20 side to win last year's Skolnik Cup.

Footscray has seconded Jim Baker to the Colts for 1956. Jim also represented Victoria as a junior last year, and is a very promising Full Back.

Sandringham has some new players to go with their brand new brick pavilion, their bright new Executive Committee, and a truckload of new spirit. Danny McLean has transferred from Prahran, and Gordon Wilkinson from Brighton. And Pat Daly, who earned a State squad shirt back in 1952, is back in training with his old Club. SLAVIA PROVES TOUGH NUT

Hakoah also in Form

By holding J.U.S.T. to a draw last Saturday, and defeating Juventus on Monday, Slavia proved their right to a berth in the 1st Division.

Although playing in good form, Hakoah was not thoroughly tested in its two wins last week-end, Brighton not having settled down yet, and J.U.S.T. playing a depleted side. The Hakoah-J.U.S.T. game was a tragic comedy of errors, too, of which more will be heard, and which soccer could very well do without.

Moreland is playing itself in well, and has also notched two wins. Although defeated on Monday, Juventus is a clever, well-balanced side.

Prahran, Footscray City, Box Hill, and Polonia all require another match or two — their gears are not yet meshing smoothly.

2nd DIV. REVIEW

Wilhelmina and Geelong Impress.

After the first two rounds last week-end, only three teams showed that they were ready to withstand the rigors of a tough season against all comers . . . WILHELMINA, GEELONG and SOUTH MELBOURNE.

HELLENIC, YALLOURN, PARK RANGERS and SOUTH YARRA are close to their mid-season potentialities, and when they reach full stride, the 2nd Division could easily rival the 1st Division in public interest.

GEORGE CROSS, who have so far failed to sign the players that were rumored to be joining the club a few weeks ago, and the new COLTS, are still very unsettled.
